WHY YOU CAN’T MISS AUSTRALIA’S LEADING ANNUAL HYDROGEN INDUSTRY EVENT - THERE’S SIMPLY SO MUCH HAPPENING:

Gain a comprehensive understanding of how the US’ new Inflation Reduction Act is impacting global investment in the clean tech sector, and the implications for Australia’s hydrogen projects.

Assess the latest thinking on the forthcoming reset of Australia’s National Hydrogen Strategy, and possible future directions and impacts.

Discover insights from Australia’s major overseas buyers including representatives from Germany, Japan, and South Korea on how they see Australia’s hydrogen exports playing a role in their energy mix.

Hear the latest viewpoints on how the new National Reconstruction Fund, & impending Safeguard Mechanism will impact Australia’s hydrogen sector development, and the role that hydrogen will play in decarbonising “hard to abate” sectors.

Come away from the event armed with the up to the minute comprehensive project updates from the many leading hydrogen proponents from across Australia - from Bell Bay to Port Hedland.

Reconnect, re-engage and meet up face to face with hundreds of hydrogen and energy executives from across Australia - and the wider region - to develop new business contacts and strengthen your personal network.

The 6th Australian Hydrogen Conference

YOUR KEY NETWORKING OPPORTUNITY

Informa Connect is delighted to invite you to the very latest edition of our 6th Australian Hydrogen Conference. This key industry event has firmly established itself as the key meeting place for the region’s emerging hydrogen industry, and this year’s 2023 Brisbane conference follows on from the previous editions which have included in 2019 (Melbourne), 2020 (Virtual), 2021 (Sydney) and twice in 2022 (Adelaide & Perth).

Join the hydrogen sector’s most eminent energy leaders to explore the latest emerging projects, challenges, opportunities and lessons, and help shape the future of this rapidly expanding industry across the nation and overseas.

SPONSORS & EXHIBITORS TO DATE

SPONSORSHIP & EXHIBITION OPPORTUNITIES

The Australian Hydrogen Conference brings together the key minds of the Hydrogen industry globally. Brand your company and network amongst the great minds of the Hydrogen industry, and be at the forefront of this rapidly expanding sector globally.

There are many opportunities for networking including Welcome Drinks, Gala Dinner, Networking Drinks, Refreshment Breaks and Lunches, making this not just a conference... but an all encompassing industry “experience”.

Event sponsorship or exhibiting will allow your organisation to:

- Build relationships with potential and existing clients
- Generate leads from a high-level, targeted audience
- Close sales in a more personal manner than via phone or zoom
- Demonstrate your product in person
- Network with the industry
- Build brand awareness
